

LERWICK BOATING CLUB

Showers/Clothes Washing Facilities

There are 3 male showers and 1 female shower on our basement floor. The showers are operated by £1 coins.

The 2 washing machines and tumble dryers are operated by coin meters - £2 for a clothes wash (either 2 x £1 coins or a combination of £1 and 20p pieces). The tumble dryers also take 2 x £1 coins, which will dry a load of washing.

NOTE: During normal club opening hours, change can be obtained from the bar.
